Who we are?

Shanghai Unifloor New Material Co., Ltd was established in 2012, is a specialized WPC products manufacturer. Our products include traditional composite decking, capped composite decking, 3D embossing composite decking, composite benches, composite planter boxes, composite deck tiles, composite fencing, composite cladding, composite balustrade, and composite pergola. We are determined to provide more families with a more eco-friendly, more convenient, and higher cost-effective outdoor decoration experience.

Why us?

With nearly 10 years of experience, Unifloor offers high-quality products supported by hi-tech and professional service. Unifloor is honored to cooperate with over 1,300 customers around the world. We adhere to the details, and we only make products that can stand the test of time by paying attention to every detail. Reliable product quality and considerate customer service are the principles we have been upholding since our establishment. We will always strive to improve product quality and service and aspire to become the best WPC manufacturer in China.
